**BETH ROSENTHAL**  
**Community, Organizational and Collaboration Development**

Beth Rosenthal is a social entrepreneur with over 30 years of experience as a consultant to government, foundations and nonprofits. Her firm, Collaboration and Change LLC designs and manages large scale and single organization planning and change efforts; conducts research, needs/assets assessments, and policy analysis; and improves nonprofit organizational and collaboration capacity through customized training and project development. Beth has an MS in Sociology from Columbia University and a BA from Barnard College.
