**JAIME STEIN**  
**Urban Planning and Environmental Sustainability**

Jaime Stein is an academic, sustainability consultant, and urban researcher, experienced in advocating for sustainable communities through community engagement, sustainability planning, and policy analysis. Jaime's experience lies in leadership and management roles within multi-stakeholder projects. She has successfully managed many multi-stakeholder, interdisciplinary projects wherein her leadership and communication skills have facilitated a comprehensive and innovative deliverable. Jaime has an MS in Urban Environmental Systems from Pratt Institute.
